EVERYTHING YOU NEED
IN A MINIMUM OF SPACE

INCREASE YOUR OFFICE'S EFFICIENCY

Sometimes, improving office efficiency can be as easy as buying a new printer. The KM-3650w is a highly capable network multifunctional that offers easy access from every workstation in your office. The simple-to-operate user interfaces let everyone in your office print and scan right from their workstation. Should you still be using a plotter and analogue wide-format copier, the KM-3650w will save you time and space, easily handling jobs previously done by two units.

A GREAT IDEA NEEDS A PRECISE PLAN

With a printing resolution of 600 x 600 dpi, the KM-3650w delivers crisp, concise printouts up to A0 – even if you have to resize the file. The optional scanner lets you make full use of this multifunctional's capabilities, giving you a wide format imaging system that can print, copy and scan. You get all the benefits of superior image quality from a single device in a minimum of space.

The KM-3650w is so compact and quiet that it can integrate seamlessly into any office. Offering a full range of solutions for your large format printing, copying and scanning needs up to A0, you will always find the KM-3650w easy to use, regardless of whether you are using the network printing functions or the large, conveniently placed operating screen. Not only is the day-to-day operation trouble-free, maintenance is just as easy so that you do not have to worry about down time. Take a closer look! You will see that this all-in-one device is a simple and highly efficient addition to your office.

User-friendly operation panel
The tilting operation panel is positioned for easy access, ensuring optimal operating comfort and avoiding reflection from overhead lights.

Face-up original feeding
Face-up feeding is a simple and effective way to prevent skewing and ensure precise scanning so that you always have a dust-free original.

Manual bypass
Should you need to use special media or if you are only making one quick copy, the manual bypass gives you fast and easy access.

Mono-component toner
Easy to replace and economical to use, mono-component toner ensures that no toner is wasted, making this system environmentally friendly.

Two roll capacity
With space for up to two rolls, using different sizes or switching from plain paper to transparencies is fast and easy.

Rear side output
Easily expandable to include a finishing unit for all in one printing/copying and folding.
